**NOTICE**

Each of the above-listed cases has previously been identified as ready for a mediation conference in **January 2025**. Recently, the Court has been forced to vacate or continue more than half of the cases initially set for settlement conferences. In order to avoid the administrative costs associated with vacating a case after it has been set, the Court is making this inquiry to determine if any of the above cases **should not be set** for a Settlement Conference.

As soon as practicable following of the receipt of this Notice, counsel shall confer concerning the readiness of their case for a settlement conference. If all counsel concur that the case is **not** ready to set, counsel shall send an email to [ADR@ohsd.uscourts.gov](mailto:ADR@ohsd.uscourts.gov) by **4:00pm EST on December 2, 2024** to advise the Court that the case should **not** be set. Counsel should include in such advice whether the case should be continued to another month and, if so, which month.

Nothing in this Notice is intended to preclude a timely motion to vacate or continue a settlement conference, should the grounds for such motion become apparent only after the case is set for a settlement conference on a specific date and time.

Richard W. Nagel, Clerk of Court  
United States District Court  
Southern District of Ohio
